## **1. The Netflix Daredevil HOE-DOWN!**

(PLAY THIS AS YOU READ ALONG)

### **Elektra Natchios**

I was sent to spy on Matthew, those were Stick's commands  
But I fell in love with him, did you see his ass, GODDAMN!  
I would love to run away with him but the Hand won't let us free  
So I guess we'll both stay in this cave and get crushed by debris

### **Foggy Nelson**

Matt and I are best friends, we are the law firm's co-founders  
But our friendship got strained when I found out Matt had powers  
Matt thinks he's so cool, he thinks he really owns the stage  
But I say he's not as cool as Jessica or Luke Cage

### **Karen Page**

I'm Matt and Foggy's secretary and a journalist on the side  
It's because Fisk killed Ulrich, I'm so mad that he had to die  
I hate all of these criminals, from the mobsters to the hustlers  
Maybe I should tell all of them that I'm friends with Matt and the Punisher

## **Matt Murdock/Daredevil**

I protect Hell's Kitchen, I'm the one they call "Daredevil"

But I'm a Catholic, devil talk really makes me mental

But more so than that, what ticks me off are criminals bitchin'

If y'all can't take the Devil, then stay out of Hell's Kitchen

## **Elektra, Foggy, Karen, and Matt all together**

Stay out of Hell's Kitchen!

## **2. The Agents of S.H.I.E.L.D. HOE-DOWN!**

(PLAY THIS AS YOU READ ALONG)

### **Alphonso Mackenzie**

Being an Agent of SHIELD can really be quite stressful  
It's constant danger, you'll die if you're not careful  
Oh, why did I not quit SHIELD when I was given the chance  
Maybe I should have left with my friends, Bobbi and Lance

### **Melinda May**

They call me the Cavalry, I say, "Don't call me that"  
It's a name that I really hate, it really does fall flat  
Instead, just call me Melinda, or by my last name, May  
But if you call me "mom", then you're really gonna pay

### **Phil Coulson**

Agents of SHIELD started because I was in high demand  
Started as a generic agent, now I'm the head of this band

Then season 5 premiered and I got killed in the finale  
But I came back as a robot and an Incan god-like baddie

### **Daisy Johnson**

I am a superhero and I go by many names  
Skye, Quake, Daisy, and Mary Sue, which was lame  
Speaking of lame, Disney, let me break the fourth wall  
Give Robbie his spin-off or I'll quake y'all in the balls

### **Mack, May, Coulson, Daisy all together**

Quake y'all in the balls!!!

### **3. The RWBY HOE-DOWN!**

(PLAY THIS AS YOU READ ALONG)

#### **Yang Xiao Long**

I am a power puncher...I knock enemies out on sight

Don't get me angry...I'm always down for a fight

And you know what will make me angry to an utmost certainty?

If I find out some scumbag wants Ruby's virginity!!!

*(Ruby, at the end of the line: YANG!)*

#### **Blake Belladonna**

Humans don't like me...because I'm a faunus

They think I'm sus...like an impostor in "Among Us"

Sometimes, I think that I should've stayed in the White Fang

Oh wait, that's right, that was also my ex-boyfriend's murder gang

#### **Weiss Schnee**

Money, money, money...that's what people think of me

Before my brains and good looks, they first notice I'm a Schnee

It's really quite infuriating...people are so mean

I'm not just a basic rich girl, I'm Weiss, the ICE QUEEN!

*(Weiss winces in embarrassment from her last line while Ruby starts to laugh at her. Weiss shamefully whispers to her, "I had to make the last line rhyme". Ruby then regains her composure for the final verse)*

## **Ruby Rose**

I am the Team Leader of RWBY, hell yeah, that's me

First I beat the bad guys, then I enjoy a cookie

Hopefully, we can beat Salem, can I get an amen? (amen!)

How about you uncle...oh no, Uncle Qrow is drunk again!?

## **Ruby, Weiss, Blake, Yang all together**

Uncle Qrow is drunk again!!!

## **4. The Danganronpa HOE-DOWN!**

(PLAY THIS AS YOU READ ALONG)

### **Kaede Akamatsu:**

I was the protagonist in Danganronpa V3

People wanted a female protag, so fandom was happy

But then when you played the game, the happiness turned to anger

Because WHY in the HELL did I die in the FIRST chapter!?

### **Hajime Hinata:**

I am the protagonist of Danganronpa 2

People say my game is the best because I have the superior crew

That said, I could do without all of Junko's abuse

Because, really, all I wanted was a glass of orange juice

### **Kyoko Kirigiri:**

I'm not actually a protagonist, I'm just a major character

Makoto is the true protag, but people say I'm better

The Despairs want me dead, they think I'm such an arrogant diva

But I'm still here and guess who's dead, it's Junko Enoshima

**Makoto Naegi:**

I'm the protagonist of the Hope's Peak Academy Arc

My series is really fun but I admit, it gets kinda dark

You should play my games if you like mysteries and are really horny

It's like this; my games are hentai mixed with Ace Attorney

**Kaede, Hajime, Kyoko, and Makoto all together:**

Hentai mixed with Ace Attorney!

## **5. The Ace Attorney HOE-DOWN! (Apollo Justice era)**

(PLAY THIS AS YOU READ ALONG)

### **Klavier Gavin**

I was Apollo Justice's first rival prosecutor  
Apollo might be smarter but I'm the one who's cuter  
I really hate Kristoph for getting Wright disbarred  
He got his comeuppance thanks to Apollo's trump card

### **Simon Blackquill**

I'm the main prosecutor in Dual Destinies  
Once I get these chains off, I'll tear apart my enemies  
I'm talking to you, Bobby "The Phantom" Fool Bright  
Athena, stand back, because this man is about to die!

### **Nahyuta Sahdmadhi**

I'm the main prosecutor in Spirit of Justice  
Though I work for the queen, I swear I'm not corrupted  
Before we move on, let me tell you what I discovered  
Surprise, Rayfa, I am your older brother

## **Apollo Justice**

I'm the new protagonist, replacing Phoenix Wright

At least at first, then Capcom killed my series out of spite

My friends and family all keep f\*\*\*\*\* dying

But angst and murder is what keeps the players buying

**Klavier, Simon, Nahyuta and Apollo all together**

Keeps the players buying!

## **6. The Ace Attorney HOE-DOWN! (Original Trilogy era)**

(PLAY THIS AS YOU READ ALONG)

### **Miles Edgeworth**

I was the prosecutor in the first Ace Attorney  
Two spin-offs and musicals, what a great journey  
Before we move on, I want everyone to know  
Manfred von Karma is a dirty, rotten hoe

### **Franziska von Karma**

I'm the main prosecutor in Justice for All  
I'm perfect in every way, no way that I could fall  
But there is something that I'm still mad about  
My character arc got ruined in Farewell, My Turnabout

### **Godot**

I'm the main rival in Trials and Tribulations  
Phoenix Wright suffers from premature ejaculation  
That said, I'll admit, I hate someone more than Trite  
That's Dahlia Hawthorne, who is so full of shite!

## **Phoenix Wright**

I'm the protagonist of the original trilogy

These prosecutors, they question my abilities

That said, the people who played these games already know

In my games, I beat Miles, Franziska and Godot.

## **Miles, Franziska, Godot, and Phoenix all together**

Miles, Franziska and Godot!

## 7. The Persona 3 HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

### **Junpei Iori**

People say I'm the class clown, I'm the immature member  
But I swear I can be responsible, as a good guy I'll be remembered  
By the way, have you met my girlfriend, her looks are so striking  
And of course her name's Chidori, because SHE'S AS HOT AS  
LIGHTNING!

### **Akihiko Sanada**

I'm new to this improv, so I'm excited to take on this challenge  
I can outdo everyone here, their verses I will ravage  
By the way, Junpei, that's funny you mentioned Chidori in your verse  
Because I saw her among my fans, she fell under my handsome curse

*(Junpei frowns at the crowd while Akihiko smirks at him. Junpei then bursts out laughing, quickly moving on from the jab at him)*

### **Mitsuru Kirijo**

Akihiko and Junpei are making this fun game really quite annoying  
I just wanted to relax and have fun, but their stupidity is spoiling

I know I should let it go, I'm supposed to be the mature one of the group

But anyone who annoys the ice queen, their behinds, I will whoop!

*(Mitsuru smirks at both Junpei and Akihiko, who both awkwardly smile back at her. The Persona 3 protagonist just shakes their head, pleasantly amused at their antics)*

### **Persona 3 Generic Protagonist**

I'm the main protagonist of Persona 3

Male or female, doesn't matter, my gender is what the player feels

Now to those who think Joker is the best protag for some reason

Remember, I died for your sins, I'm your Anime Jesus

**Junpei, Akihiko, Mitsuru, and Persona 3 Protagonist, all together:**

I'm your Anime Jesus!

## 8. The Dragon Prince HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

**Soren:**

People ask me, "Soren, is it tough being a member of the Crown Guard?"

I tell them, "Not as tough as dealing with my sister Claudia's farts."

I know people think she's evil, but since Avatar influenced our show

I'll bet you a billion gold coins that she's the white girl version of Zuko!

*(Claudia, who is sitting in the crowd to watch the show: "Soren, why the HELL did you sing about THAT MOMENT?!")*

**Ezran:**

Soren's job may be tough, but I say being a king is much harder

I make life-changing decisions and I can't even fit in the royal armor

Sometimes, I wish I could just run away and eat some jelly tarts

Or maybe follow my brother's footsteps and find myself an elf sweetheart!

*(Callum, at the end of the line: "You're too young for a girlfriend, Ezran!")*

*(Rayla, who is next in line: "Oh, he's just messing with ye, Callum. Let him have his fun!")*

**Rayla:**

Life has been crazy ever since I met Ezran, Callum, and Bait

I went from trying to kill them, now I go with Callum on dates

Yes, I know my people banished me and it still hurts me dearly

But if staying with them means killing my friends, then I say, "f\*\*\* off," sincerely!

*(Callum gawks at Rayla, shocked at the last line. Meanwhile, the elves in the audience are either laughing their asses off or are frozen in shock)*

*(Ethari: "Oh snap! Go off, Rayla!")*

*(Nyx: "Oh my, that moonshadow elf is a mad lad! I like her, I like her sense of humor!")*

*(Rayla just shrugs the strong reaction of the audience off)*

**Callum:**

Like Rayla said, the journey to bring the dragon prince home has been crazy

But even though Viren tried to hurt us, his efforts didn't phase me

I honestly had more trouble trying to get Rayla to cross the ocean

But I can handle any problems as long as I have my hot brown morning potion!

**Soren, Ezran, Rayla, and Callum, all together:**

My hot brown morning potion!

## 9. The Mandalorian HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

### **Greef Karga:**

I am a space criminal, I give Mando his various tasks

And when I'm not on the job, I relax at the Twi'lek healing baths

Nowadays, I turned my life around ever since Mando saved Baby Yoda

But also, I stopped being a criminal so I don't have to deal with Boba!

*(Greef does a thumbs up to Boba. Boba acknowledges him with a nod)*

### **Fennec Shand:**

Being played by Melinda May really makes me quite cheery

Ming-Na went from dressing as Slave Leia, to actually being in the series

Shooting, blasting, and killing enemies, Fennec is an absolute badass

And for someone nearing sixty, I still look world-class!

*(Luke Skywalker, sitting in the crowd: "Whoa...I thought she was in her thirties. Wow!")*

### **Boba Fett:**

People thought they saw the last of me because I fell in the Sarlacc pit

But the writers brought me back because they knew my death was shit

Now I rule Tatooine, my enemies stand no chance

Especially when I stick my tongue out and show them my haka dance!

*(Boba starts doing the movements for the traditional Maori Haka dance, which scares a few people in the crowd)*

**Din Djarin:**

I'm happy to hear that people love the Mandalorian, that is great

But it really breaks my heart when I sometimes see the franchise full of hate

And while the fans have problems with the casting of Ahsoka Tano

At least they can celebrate that we got rid of Gina Carano!

**Greef, Fennec, Boba, and Din, all together:**

We got rid of Gina Carano!

## 10. The My Hero Academia HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

**Toshinori Yagi (All Might):**

I'm the number one hero, I'm loved by everyone

My punches change the weather and I beat villains one-on-one

But now my mission is to train Deku, so I gave him One For All

I'm the reason why he went from a wimp to a hero with massive balls!

*(The crowd laughs wildly while Deku facepalms himself)*

*(Ochaco starts blushing heavily)*

*(Inko Midoriya, who is sitting in the crowd, sighs heavily at All Might's verse)*

**Tenya Iida (Ingenium):**

I'm the class representative, representing Class 1-A

I may be a novice hero now, but soon I will have my day

My calves are shaped like automobile engines, so they're quite thick

Now while Deku may have massive balls, I have the bigger dick!

*(All Might and the crowd start laughing even louder than before while Iida bows, proud of himself for that verse)*

*(Ochaco is trying to suppress her laughter...but is clearly failing)*

*(Deku: "Is it 'Roast Deku' day? Seriously?")*

**Ochaco Uraraka (Uraravity):**

My name is Ochaco, my quirk is zero gravity

I'm both a tough hero and so sweet that I give people cavities

I might be kind of bubbly, but I can also be pretty mean

By the way, Iida and All Might suffer from bad hygiene!

*(Ochaco smirks at All Might and Iida. Both All Might and Iida nod their heads at her, impressed at her jab at them)*

*(Deku, appreciating that Ochaco stood up for him, high fives her)*

**Izuku Midoriya (Deku):**

This hoe-down got out of line, I'm not sure what I did

All Might and Iida both decided to insult me with their quips

But as a shonen protagonist, I can take all their mean words

Because even if they combined with each other, I still get way more girls!

**All Might, Iida, Uraraka, and Deku, all together:**

I still get way more girls!

## 11. The Flash HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

**Joe West:**

When I learned Barry was the Flash, I had to tell him straight

Don't tell Iris the truth, this isn't up for debate

Now everyone knows his identity, but not like it was difficult

He shows his face every chance he gets, from his allies to the criminals!

*(The crowd laughs wildly as Joe smirks at Barry while Barry pouts, feeling embarrassed)*

*(Iris: "Damn it, dad. Really?")*

**Cisco Ramon (Vibe): - spoken, not sung**

Oh crap...I was gonna make a joke like that. You took my joke!

*(Joe laughs as Cisco dances along to the beat, trying to come up with a new verse. Barry sighs, slightly annoyed that Cisco was also going to mock him)*

**Cisco Ramon (Vibe): - sung**

Like Joe West said, the Flash's identity is quite obvious

But just to be fair, it's usually not a result of sloppiness

If you ask me, he has a bigger problem when it comes to changing time

And chances are he'll change time once I finish all my rhymes!

*(The crowd laughs wildly as Cisco does a little dance, pleased with his replacement verse. Joe cheers him on while Iris tries her best not to laugh at her husband's expense. Although he's still a little annoyed, Barry cracks a smile at the jab at him)*

### **Iris West-Allen:**

Let me turn this positive, because Barry deserves some praise

He saved the world multiple times, makes the supervillains pay

We're the Arrowverse power couple, and yes we have a hot daughter

It makes sense when you see how hot Nora's mother is and her father!

*(The crowd cheers wildly as Barry high-fives Iris. Cisco nods his head while Joe claps)*

*(Sherloque Wells: "Well, I mean...she's not wrong.")*

### **Barry Allen (The Flash):**

I'm Central City's defender and the Arrowverse's resident speedster

I know Oliver is the main hero, but the fandom thinks I'm sweeter

By the way, Joe and Cisco, since you made fun of me in this game

Just remember who you're working for, our show's title is my name!

**Joe, Cisco, Iris, and Barry, all-together:**

Our show's title is my name!

## 12. The Stranger Things HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

### **Jim Hopper:**

Being a single father is a pretty challenging gig  
But my daughter's wanted by the CIA, really makes me want a cig  
But I'll guard her with my life, because she's my little angel  
And if I catch that Mike boy in her room, my rage will be painful!

*(Mike sheepishly smiles at Jim while El just sighs, slightly annoyed at her adoptive father's jab)*

*(Joyce Byers, sitting in the audience: "Damn it, Hopper, leave that boy alone!")*

### **Nancy Wheeler:**

"Nancy Drew" is my nickname because I solve the mysteries  
And let's be real, my investigating is responsible for our victories  
Now to those who think I'm useless, I say to them they're silly  
At least me and Jonathan contribute to the story more than Billy!

*(The crowd, especially Jonathan Byers, laugh loudly at Nancy's jab)*

*(Billy Hargrove, sitting in the audience: "Oh screw you! I was important!")*

*(Max Mayfield, sitting next to him: "Maybe in season 3...but season 2, not really.")*

### **Mike Wheeler:**

Jim Hopper was being mean, implying he'll leave me in stitches

But El and I already follow his rule, we keep the door open three inches

But I see where he's coming from, he's just protecting El

No worries, I'll protect her while he's off being a superhero for Marvel!

*(The crowd cheers wildly while El and Nancy clap for Mike)*

*(Jim Hopper: "Okay, he got me there. Also, isn't it ironic that I went from being an anti-Russian cop to a Soviet superhero?")*

### **Jane Hopper / Eleven:**

My name is Eleven, I have trouble speaking English

But I got help from my friends, their love for me just leaves me pinkish

Now I know we have problems with the thing known as the Mind Flayer

But I promise I can handle it, just call me "Ellie the Mind Slayer"!

### **Hopper, Nancy, Mike, and Eleven, all-together:**

Ellie the Mind Slayer!

### 13. The Final Fantasy VII HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

**Barret Wallace:**

I am the team leader, a member of AVALANCHE

But I'm considered dangerous, people say we're an extremist branch

Now to those who think I don't do good and actually cause more harm

You better shut your mouth or I'll rip you apart with my gun-arm!

*(Cloud, at the end of the line: "It's true, he's not joking around. Don't provoke him now!")*

**Tifa Lockhart:**

People think I'm outgoing, but I'm actually quite shy

It's just because of my clothes, you can see my stomach and my thighs

But I don't care, I'm too focused on saving the world with my gang

And I just wanna say, it's bullshit that Death Battle said I'd lose to Yang!

*(the crowd cheers wildly as Tifa smirks at the camera. Barret, Cloud and Aerith all nod their heads, agreeing with their teammate)*

*(Yuffie Kisaragi, sitting in the crowd: "Hmm...I don't know, I thought*

*Death Battle made a mostly solid argument.")*

### **Aerith Gainsborough:**

As the lead heroine, I love Final Fantasy VII

We're the best game ever made, and we're still Square Enix's secret weapon

But one thing that bothers me about our game's success

The fact that my death is a critical highlight really sucks, yes

*(Aerith stares at the camera, as if to say that she hates the fact that her character dies in the story)*

*(Sephiroth, who is sitting in the crowd, looks away, feeling slightly embarrassed)*

### **Cloud Strife:**

Now let me tell you something about this JRPG

It's arguable that the seventh game is the best Final Fantasy

It's because of me and Sephiroth, our rivalry is a work of art

Oh, by the way, can someone explain to me how we're in "Kingdom Hearts"?!

### **Barret, Tifa, Aerith, and Cloud, all-together:**

How we're in "Kingdom Hearts"!

## 14. The Big Hero 6 HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

### **Wasabi-No-Ginger:**

People think I'm scary, just because I'm really buff  
But I'm actually a really nice guy, and protective of my stuff  
Now let me tell you something, my feelings got really hurt  
That my nickname came from me getting wasabi on my shirt!

*(Fred, who is next in line: "Hey, it's a funny nickname! And it stuck!")*

*(Wasabi: "I didn't WANT it to stick!")*

### **Fred / Fredzilla:**

It's unfair that I'm not the same as my comic counterpart  
Comics Fred is a kaiju, in the movie I'm just not smart  
But one change that was better has to do with my family  
What other Marvel hero can claim that their dad is Stan Lee!

*(Fred throws a thumbs up at the camera while Wasabi, Go Go, and Hiro just nod their heads)*

### **Go Go Tomago:**

I'm the runner of the group, I have wheels on my legs  
And yes I know that my last name is Japanese for "egg"  
To be a great superhero, you have to toughen up  
If you need help doing that, just tell yourself to "woman up"!

*(Honey Lemon in the crowd: "Woo! Yeah, you tell them, Go Go!")*

**Hiro Hamada:**

I might be the youngest member, but I'm the team leader  
My team protects the city's streets, you can call us street cleaners  
Big Hero 6 is amazing, we're better than any army  
Or at least that's how we sound in a fanfiction written by Karmi!

**Wasabi, Fred, Go Go, and Hiro, all-together:**

Fanfiction written by Karmi!

## 15. The Demon Slayer HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

**Inosuke Hashibira:**

I AM A DEMON SLAYER, AND I'M THE BEST AT THESE HOE-DOWNS

I'LL MAKE MORE PEOPLE LAUGH THAN GENJITSU AND GANJIRAU

I'M THE BEST IMPROV PERFORMER THAT THE WORLD HAS EVER SAW

THE THOUGHT THAT PEOPLE LIKE MONJIRO MORE REALLY MAKES ME AHHHHHHHHHHHH!

*(Inosuke starts running around the studio, freaking out his fellow performers while making the studio audience laugh)*

*(Zenitsu: "Inosuke, it's not a competition! We're just trying to make people laugh here!")*

*(Nezuko: "Okay, is anyone else impressed with how he still managed to rhyme while yelling?")*

**Zenitsu Agatsuma:**

My specialty is thunder, I bring the thunderclap and flash

And when I go to sleep, I kill my foes in one quick dash

Now let me tell you something, I might be an honorable man

But I would do anything if it meant getting a date with Nezuko-chan!

*(Tanjiro: "Hey, back off, Zenitsu!")*

*(Nezuko sighs, as if she expected Zenitsu's verse to be about her. She then says, "Zenitsu, we're already married, you can relax now.")*

**Nezuko Kamado:**

Zenitsu is in love with me, he thinks I'm really cute

A lot of people do as well, but let's not resort to lewd

I find it quite annoying when I'm nude in the artwork

It's bad enough that my artists draw me half-naked when I'm berserk!

*(Tanjiro: "Agreed, please don't lewd my little sister!")*

**Tanjiro Kamado:**

*(Wanda pretends to cough, as if she knows something that Lorna and the audience doesn't know)*

### **MCU Pietro Maximoff / Quicksilver:**

Because of studio problems, we got two Quicksilvers  
The other was treated well, while I died to a robot killer  
Now I'm not angry at Marvel for that, just go ahead and keep reading  
The only person who I want to blame is that no-good Joss Whedon!

*(Wanda, at the end of the line-up: "He made me work for HYDRA, so I blame him too!")*

### **Fox X-Men Peter Maximoff / Quicksilver:**

Cool uncle Quicksilver here, I crossed over to the MCU

Ever since "Dark Phoenix" bombed, I switched to the more successful crew

Now since I have a new sister, I have a question based on the poster

Are you seriously telling me my new sister married a talking toaster?!

*(Vision, sitting in the crowd: "Oh come on, I'm way more advanced than a toaster!")*

### **MCU Wanda Maximoff / The Scarlet Witch:**

Six years after my introduction, I'm finally getting recognition

## 17. The Bat-Family HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

### **Jason Todd (Red Hood):**

Let me first say this, the DC fandom can be rough  
They hated me so much, so they voted for me to get snuffed  
How can they hate me, don't they know I'm a genius  
I'm surely better than the other Robin who is named after a penis!

*(the crowd cheers wildly as Jason smirks at Dick Grayson)*

*(Dick: "Oh, so it's gonna be like that, then? Okay, okay, I see you Todd.")*

*(Barbara: "Boys, calm down, this is comedy night. Let's not get carried away here-oops, it's my turn! Here I go!")*

### **Barbara Gordon (Batgirl / Oracle):**

Batgirl or Oracle, either of those names are fine  
Although "Oracle" makes me sad since it reminds me of my spine  
I'm still mad at the "Killing Joke", even if the story is complex  
And in the movie, why the hell did Bruce and I have sex!

*(Barbara: "Hey, Brian Azzarello, I still don't get that one, dude. You were wildin' for that scene.")*

*(Bruce looks away, slightly embarrassed)*

**Dick Grayson (Nightwing):**

Jason thinks he's badass, because he shoots the criminals

And then he put on a red mask, and acts all dark and cynical

Now I'm still the best Robin, don't listen to Jason's babble

I'm the Teen Titans leader, while Jason's a wannabe Frank Castle!

*(the whole crowd starts going, "Ohhhhhhhhh!" while Dick smirks back at Jason. Barbara, who was trying to stay neutral, is trying her best not to laugh.)*

*(Despite the jab at him, Jason just nods his head and goes, "Not bad, Dick, not bad.")*

**Bruce Wayne (Batman):**

I'm not really fond of singing, my team dragged me into this

They just kept bothering me, they just would not stop and quit

Now as the founder of the Bat-Family, I want everyone to know

Rick and I didn't vibe at first, we started off as foes

It's really quite amazing, we're the Walking Dead's power couple  
But now I gotta find him in his movie, that's a damn struggle!

*(Michonne: "Seriously though, Jadis couldn't have stopped by to tell us where you were?" )*

*(Rick: "It's...complicated.")*

**Rick Grimes:**

I used to be the protagonist, but my actor decided to leave  
Although the new seasons were great, my loss was not well-received  
Now if you think my actor hates the show, that is incorrect  
I'm sure Lincoln would say to his fans, "To me, you are perfect!"

*(Komaru: "Seriously, Spike Chunsoft...what the fuck was that? Who wrote my game's script?")*

*(Toko, who is sitting in the crowd: "Yeah, even for someone like me, that was a little too much.")*

**Maki Harukawa:**

I don't want to be here, I think this game is stupid

I am an assassin, killing people is what I'm more suited

No Kaito, I swear I'm not having fun right now

What do you mean I'm rhyming...oh shit, I am, wow!

*(Maki stares at the camera, completely surprised that she subconsciously took part in the hoedown)*

*(Kaito: "Hell yeah, Maki Roll! You did good!")*

*(Kaede: "How did you convince her to do the hoedown?")*

**Aoi Asahina:**

People think I'm stupid, because I act so ditzzy

But I'm chapter 4's mastermind, so please don't think of trying me

*(Aoi smirks at the audience while Makoto, Kyoko, and Yasuhiro laugh loudly)*

*(Byakuya and Toko frown at Aoi's jab)*

**Chiaki Nanami:**

Don't mind if I seem tired, it's just because I'm sleepy

*(Barry: "I can't help it, I'm a dad. I'm legally obligated to tell dad jokes.")*

**Rebecca Chambers:**

I'm the Bravo team medic, my specialty is curing your body

If my face looks familiar, it's because it's based on Ayumi Hamasaki

When it comes to remakes, please listen to me though

When remaking the old games, don't forget "Resident Evil Zero"!

*(Rebecca: "Seriously, because Billy Coen and I worked really hard on that game and it's a shame that a lot of people forget that title exists. I mean, it's a travesty that it took me years to make another appearance after Zero...and it was as a supporting character to Leon and Chris! I mean, come on! I can carry a title! Just watch, give Zero the RE2 remake*

*treatment! I promise, a lot of Resident Evil fans would appreciate it-")*

*(Jill: "-okay, okay, Rebecca! This is comedy night, let's discuss this another time!")*

### **Jill Valentine:**

Looking back at the past games, my life has been pretty rough

Try fighting zombies in a tube top and mini-skirt, that shit is tough

But the roughest was the fifth game, which I'm not really fond

Because I was brainwashed by Wesker, who made me go blonde!

*(Jill: "I'm not a blonde, for fuck's sake. I am and always will be a brunette! Also...that's the stupidest side effect I've ever heard of.")*

*(Chris: "Look...our franchise isn't exactly the best written, okay?")*

*(Jill: "I know, I know.")*

### **Chris Redfield:**

I am a zombie slayer, just look at how I'm built

*(Nico sighs and shakes her head)*

**Nico Robin:**

They call me the 'devil child', 'the light of the revolution'

I became a pirate to study and come up with mystery solutions

**Nami:**

I am the Straw Hats' navigator, I'm an expert when it comes to maps

If the crew didn't have me as a member, I'd guarantee they would collapse

*(Sanji, who is sitting in the crowd, starts having a massive nosebleed)*

*(Katara: "You also need a law degree-")*

*(Toph: "-shut up, I wasn't talking to you.")*

### **Sokka:**

This really feels familiar, because it wasn't too long ago  
That I got into a haiku battle, did you hear my lyrics and my flow

tune  
Why is my voice actor obsessed with girls of the moon?!

*(Yue, who is sitting in the crowd, just stares at the camera like a character from 'The Office')*

*(Rayla, from 'The Dragon Prince': "Hmm...Callum, I just had this weird feeling that a version of you was just talking about me. A version of you that's obsessed with meat and boomerangs.")*

**Aang:**

I'm the namesake of this show, the last of the airbenders

**Diana Barry:**

I'm Anne's best friend, we're like two peas in a pod

## 24. The Mortal Kombat HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

**Jax Briggs:**

Now let me tell you something, it's regarding my bionic arms  
Ermac destroyed them once and Sub-Zero turned them into shards

The pain Takeda will feel if my daughter says he's being untrue!

*(Jacqui, who is sitting right next to him: "Dad...this is comedy night, can you chill?")*

**Liu Kang:**

I'm one of the original protagonists and I say that proudly  
I'm what you get when you cross a dragon master and Bruce Lee

*(Johnny Cage, who is sitting in the audience: "They killed me off in the first two minutes, of course the new movie will be way better.")*

**Kuai Liang (Sub-Zero):**

## 25. The Parks and Recreation HOE-DOWN!

(PLAY THIS AS YOU READ ALONG)

**April Ludgate:**

I started out as an intern, but I really hated my job  
The people I had to deal with really made my forehead throb  
The only good thing that happened was that I met Andy  
Oh f\*\*\*, I can't think of a rhyme...edible panties.

*(April glares into the camera, unhappy that she was forced to take part in the hoedown)*

*(Ann Perkins, who is sitting in the crowd: "Well...I mean...at least she rhymed 'Andy', that's gotta count for something.")*

*(April being interviewed: "I only agreed to do this because Ben and Leslie said they'd let me host the office Halloween party if I did. Let's just say...I got plans. I already ordered the fully-functional guillotine.")*

**Ron Swanson:**

As a libertarian, I don't support big government  
All I see is a waste of money, none of it is ever well spent  
That being said, I truly believe that Leslie knows what she's doing  
And if she doesn't, then at least the government is the one that's losing!

*(Ron smirks at the crowd while Leslie rolls her eyes)*

*(Leslie being interviewed: "Hey, I know what I'm doing! I'm the President of the United States! I mean...as far as you know.")*

**Ben Wyatt:**

Leslie and I didn't get along at first, she really hated my guts

*(Chris Traeger, who is sitting in the crowd: "Wow...that was LITERALLY...the greatest hoedown verse I've ever heard in my entire life.")*

**Leslie Knope:**

I love my job at city hall, I love being a public servant

*(Goofy: "Ah-hyuck, remember how I almost died in 'Kingdom Hearts 2' from that rock? Gawrsh, I really gave you all such a fright!")*

*(Donald: "Ah shut up, you big doof.")*

**Donald Duck:**

I'm the court magician, making me the strongest of the group

That's why I use all of them when I have to heal Sora!

*(Sora: "Seriously, Donald, just use the cure spell! We have that for a reason!")*

*(Donald: "But then I won't be able to use thunder on the Heartless-")*

*(Sora: "-I can do that myself!")*

### **Kairi:**

I'm one of the original trio, the woman of Sora's dreams

I'm also a Princess of Heart, making me valuable to Xehanort's schemes

*(Aqua, who is sitting in the audience: "I sincerely apologize for 'Birth By Sleep', I know that it's my game that truly messed up the canon.")*

*(Roxas, who is sitting next to her: "No, no, no, I'm the one who needs to apologize. You can direct all the complaints about story confusion to me since I was part of '358/2 Days'.")*

### **Sora:**

I am the main protagonist, or at least I used to be

*(Janet: \*shrugs\* "Hey, what I can say, I look good.")*

**Hank Pym:**

I'm the original Ant-Man, I started off in 'Tales to Astonish'

I was well-liked for some time, until my reputation got demolished

It really sucks but I don't blame the response from the readers

After all, I built Ultron and I was turned into a wife beater!

*(Hank: "I can't believe I'm saying this but...thank you MCU for not staying faithful to the source material when it comes to my character. I'm a loving husband and you can direct all your Ultron-related anger towards Tony Stark.")*

*(Scott, who is further down the line: "You're still kind of a dick, though.")*

*(Hank: "I'm mean but I'm not a scumbag. There's a clear difference!")*

### **Hope van Dyne:**

I'm Hank and Janet's daughter and the modern-day Wasp

I find it funny that at first, so many people wanted us to flop

But now many people love us, they love our movies' sense of humor

And to those who still hate us, to them I say...okay, boomer!

*(Cassie Lang, who is sitting in the audience: "Nice!")*

### **Scott Lang:**

I'm the guy that started it all, the guy known as the Ant-Man

### **Janet, Hank, Hope, and Scott, all-together:**

*(Miyuki: "-WHAT?!")*

**Kaguya Shinomiya:**

I'm the vice president, the one the series is named after
